She exhaled the blue ribbon of smoke slowly. She looked at him apologetically. I am undecided how to begin. Her violet eyes flickered. No doubt the old boy had looked pretty harmless to her. It seemed he was pretty desperate for inspiration. Frankly I decided he was merely a bit crazy. I don't think you're taking this very seriously. She looked at him thoughtfully — She stared expectantly at her.
Nothing. He only told me as if it ought to have some special signific[ance]. Anyway, after beating round the bush he mentioned this symphony that he is supposed to be composing. An idea to show human nature in all its moods, and that sort of thing.
I suppose he is temperamental and throws ~~—~~ moods if his work does not fall into place as it should. Atleast that is what he said, but it sounds fantastic. She hesitated for a fraction. I'm glad we're in harmony over that. He grinned at her reassuringly. He slid noiselessly back into the shadows. He was trembling from head to foot but his face was wreathed in smiles. He is not to be disturbed. If there's anything wrong, so perhaps you'd tell me. Kim accused America of scheming to ~~expand~~ extend the war under cover of peace negotiations. We in close co-operat[ion] with B beat off their attacks and inflicted heavy losses on them in manpower and material. To shield them of their crime
He was shot dead instantly ~~after~~ by A after he had fired three bullets into the King's head & chest at the mosque on July 20. The most dastardly crime which Jordan ever witnessed. The talks were of a preliminary nature and lasted over an hour. Regular discussions will begin on August 29. He is scheduled to retire early next month. Cultivate discipline... Freedom degenerates into licence when people are not disciplined. The whole family is grieving and we are all anxious to know about your welfare. Do not worry in the least.
There is nothing unnatural in Cong. men being installed in power after the Britishers left this country. The C is not after power nor does it want to cling to it permanently. His policy has enhanced India's prestige abroad. political manoeuvre and propaganda stunt. We can ill-afford to loose N's leadership for some more years to come and it is the duty of everyone in this country to stand united behind N and strengthen his hands at a critical time. After 4 years of C rule we find that the country has instead of advancing in any direction, deteriorated in every direction. India does not produce enough food to go round.
We do not harbour ill-will against any country of the world, but we can not allow any nation to violate even an inch of the territory of India.
The people of P were until the other day our kith and kin. They should not harbour evil designs against India but should maintain brotherly and cordial relations with us. He charged India with continued efforts at the undoing of P. Kashmir is the world's biggest question mark [illegible] The question is: Is civilisation going to uphold man's right to freedom of over 4 million human beings or let him be tied down in the manner of a galley slave? Silver crowns worth about Rs 100 belonging to Kri[illegible] were stolen from the sanctum sanctorum. The culprits are still at large.
